About The IPR Workshop

Intellectual Property Right (IPR) plays a vital role in enhancing the socio-economic prosperity of the country. Creativity and innovation are new drivers of the world economy. With the increasing relevance of Intellectual Property (IP) in this era of globalization, it is important to recognize the role which IP systems play in the growth of the Nation. Thus, there is a need to create large public awareness about the pivotal role of IPR in globalized knowledge economy. With the view to create awareness on the significance of IPR to the people from various sectors in the Country, ITM University Gwalior is organizing a one day Workshop on Intellectual Property Rights at University Campus. The Workshop is intended to cover various aspects of IPR like Patents, Copyrights, Trademarks, etc. The technical sessions will be lead by the speakers having thorough knowledge in the subject who have been practicing in the field for many years. The expected participants of the program include Scientists, Research Scholars, Small & Medium Enterprise (SME) and Grass Root Innovators.

Objective

As a punch line of ITM University “Celebrating Dreams” in Engineering, it is the key to protect innovations using available Intellectual Property Rights (IPRs) in order to benefit the society and minimizing the risk of valuable ideas remain on the shelf. The current global economic crisis is also focusing on renewed attention on the urgent need to incentivize and protect innovation to both solve the world’s most challenging problems and to generate jobs and economic growth. The power to evolve innovations and think in an innovative manner in an organizations can be increased by means of creating Intellectual Property (IP) awareness amongst its employees and students, who are directly or indirectly involved in the process of innovation. The one day IP awareness workshop aims at establishing a basic level of IP awareness amongst the workshop participants, such that the chances of obtaining well-protected innovation (Patents) for their organizations are increased. This workshop would focus on

- Importance and scope of IPR in Academic Researches.
- Types of innovations patentable & how to test your patentability of your innovations.
- Procedure of patent writing, patent filing and the process of granting patent.

ITM School of Engineering & Technology is one of the flagship and leading schools of central and north India. The basic intent of the school is to impart quality education at Undergraduate, Postgraduate and Doctoral research levels. A host of Teaching and Learning Techniques are used to impart knowledge and skills to the students in the school. A mix of lectures, tutorials, laboratory work, seminars and projects are used to groom conceptual and analytical abilities of students. At U.G. level students are involved with innovative project work in the area of their interest. At P.G. level students have to work on a dissertation chosen in consultation with industries in their academic field.

About Gwalior

Gwalior is a historical city in the heart of India, situated in the State of Madhya Pradesh, 120 Km from Agra (The city of Taj Mahal) and 317 Km from Delhi. It is well connected with Delhi, Bhopal, Mumbai, Bangalore and Hyderabad by train and road, and by air from Delhi and Mumbai. Gwalior, known as city of music, has perhaps the richest musical tradition among all the cities in this great country starting from Tansen, Baijubabra, Hassukhan, Haddukhan, Krishnarao Pandit, Bala Saheb Puchhwale, Chote Bahyya. Puchhwale, Bande Ali Khan, Shankar Rao Pandit and to come to the living legends Malini Rajurkar, Ustad Amjad Ali Khan, the list is endless. The legendary musician Tansen who belonged to Gwalior was recognized as one the nine jewels of Emperor Akbar’s court. Most famous and memorable landmarks include Gwalior Fort, the living palace of Scindia’s, Jai Vilas Palace, the Tomb of the famous musician Tansen and museums. Agra, the city of Taj, is 110 Kms from Gwalior and 1.5 hours journey by express trains. The world famous Khajuraho group of temples, depicting all facets of life, are 4 hours journey by road. Mitawali & Padavali has a group of 108 ruins of temples and is 20 Kms from Gwalior. Orchha is 100 Kms from Gwalior and is a treat for weekend trips as the village still carries old time feel with palaces, temples, cenotaphs and ruins along the banks of Betwa River.
